LIVE AUCTION LOT #2

Libre Oeste

Created and donated by Duke Beardsley

Sixth generation Coloradan, Duke Beardsley has been drawing and painting the American West for as long as he can remember. Raised both in Denver, and on a 1,000-acre cattle ranch in eastern Colorado, Duke's "duel/dual" upbringing is the foundation for his unique blend of traditional and contemporary art. An unapologetic fan of "all things cowboy" Duke spends much time on horseback often on the greatest ranches of the West. He rides with crews to participate, observe and document today's working cowboys and cowgirls in their element. This is an original piece created by Duke Beardsley to benefit the Reining Horse Foundation.
