

RHF Impacts Youth

The RHF's support of NRHyA helps young reiners aspire to excellence.

“Thankful” is the first word that comes to mind when I think of the Reining Horse Foundation (RHF). As the NRHyA president, the RHF has made a huge impact on my life by funding our youth organization. Many opportunities I have experienced during my time as an officer were made possible by the RHF.

Serving as an NRHyA officer is a privilege with intangible benefits that I will carry with me throughout the rest of my life. The knowledge I have gained will provide me with insight for many situations in the future, and I can thank the RHF for that.

As an officer, I have been fortunate to travel to new places, meet new people and grow in my leadership skills. These opportunities were made possible by the RHF and the funding that makes NRHyA programs a reality.

As an NRHyA member, I have been able to apply for scholarships funded by the RHF. These scholarships help me and other youth members work toward our dream careers by helping with finances.

Foundation donors make it possible for NRHyA to hold successful fundraisers. The two most influential of these are the NRHyA Buy-A-Pro Auction and NRHyA Stallion Breeding Auction. I have been a part of each of these, and the support I have felt from donors is immense.

It is evident that the RHF not only cares about NRHyA

as a whole, but truly loves and supports each individual member. Whether it is by helping them achieve their dreams through scholarships or giving them the opportunity to grow their leadership skills, the RHF wants the best for reining's youth.

I personally know many past youth members who, looking back, are thankful for the Foundation. As a senior in high school, fulfilling my last year as a youth member, I am already beginning to reflect and see the support I have received from NRHA's charitable arm.

I know that no matter where I go in life, the RHF played a part in helping me get there. I am so appreciative of the Reining Horse Foundation, as it has allowed me to have experiences that have shaped my life.
