

Let RHF Change You

Reiners helping reiners ... It seems like a good slogan, but in reality, it is the core of our National Reining Horse Association. I have been involved in this association for a long time, here and overseas, but I cannot begin to tell you how much I have discovered since becoming involved in the Reining Horse Foundation (RHF). The enthusiasm of my fellow Board members is engaging.

This sport has changed my life and the life of my wife, Mirjam, but being involved in the RHF makes me truly understand the value of being part of something different — the reward in helping and working for a greater achievement. The RHF's mission is very clear: We care for and honor our reining community.

Taking up the words of Leslie Baker, who helps lead the RHF, our love for the sport of reining is solidly founded on the sense of community that surrounds us. It doesn't matter how far away we live, we shake hands and look into each other's eyes at every opportunity. Our global community is strong and vigorous, and the sense of mutual help has taken solid root over the RHF's first 20 years. Helping and donating makes you proud to be an active member of our community inside and outside the arena!

Our donors are youth, professionals, non pros and simple enthusiasts of our sport. Many choose to be a part of something really important, the Reiners Club. This is one way the RHF welcomes and recognizes donors of \$100

and more. Reiners Club members provide unrestricted, annual support that makes a difference. If you're part of the Reiners Club or not, all donations matter — whether it's \$5 or five figures.

Another great example of how to give is the show-entry donation campaign offered at several events. It's amazing what \$10 is doing when we all come together.

From youth scholarships and fostering the next generation of leaders to the Dale Wilkinson Memorial Crisis Fund and preserving the sport's history through the NRHA Hall of Fame, the Foundation is truly reiners helping reiners. Achieving the RHF's goals will lead to an even brighter future for reining and all who love it.

So, honor our community and be a proud part of it!
