

One for All, All for One

I've witnessed how the generosity in our reining industry brings out the best in us.

I've always been amazed by the generous givers we have in the reining community and their incredible, creative ways of raising financial support for the Reining Horse Foundation. We have many ways to help and make a difference. Two of the ways are through the Reiners Club recognizing unrestricted gifts and through the special Sliders' Night Out event presented by Toyon Ranch. Anyone can participate in these opportunities.

We are blessed to have an amazing group of NRHA Professionals who are doing an extraordinary job donating their time to the NRHyA Buy-A-Pro Auction. They are role models for youth and riders of all levels. Each year, many NRHA Professionals also make contributions in support of the RHF Dale Wilkinson Memorial Crisis Fund when purchasing and renewing their memberships.

NRHA members' pride in RHF is amazing! The voluntary, show entry donation program is another great example of how anyone can come together to support NRHA's charitable arm. When everyone contributes something — even \$10 — it adds up to make a big difference.

NRHA's member software, ReinerSuite, makes it simple to donate to RHF when you purchase or renew your membership. Gifts of all amounts help us to be effective in our reining community. I, personally, am touched by so many families honoring loved ones

through memorial gifts.

RHF is not only a crisis organization; it also provides leadership development and scholarships for the next generation. Supporting youth, assisting people in need and honoring our sport are all pillars of the RHF mission to care for and honor our reining community.

There's recent good news, too. In 2024, RHF made possible a record amount of crisis fund grants and scholarships.

This is thanks to many amazing donors through the years.

Being part of RHF makes me incredibly proud. I have learned that helping others is something that makes you feel good — incredibly good. I have been personally involved in this industry for three decades, but getting involved with RHF has been a complete game changer for me.

I've witnessed how the generosity in our reining industry brings out the best in us. I love that everyone can give to our community, help our sport, and be part of an amazing story. God bless!
